

No. 39/VCS/18
Dt.: 06.04.2018

The Five Years Integrated Course in Science run by the Department of Applied Animal Sciences is being transferred with all infrastructure created for this course, to the Department of Microbiology with immediate effect. This has been done in consultation with Dean, Head and Senior Faculty Members of the Departments. This should be treated as an additional course in the DM.

Head of DEM is requested to run the same in the way he wants to do in consultation with faculty and also get it formally approved from the concerned BPGS immediately. During the meeting of the BPGS he may invite Registrar and Dean, SIST and Dean, Life Sciences as special invitees.

DEM is also given Rs. 5 Lacs as an additional grant to create more infrastructure immediately.

Vice Chancellor

Registrar/

Copy to:

Dean, SIST
Dean, DES
Head, DM
Dean, SBBT
Head, Dept. of Zoology (Ex DAAS)
Finance Officer
